Medi-Cal Rx Reinstatement Resources

This is an advisory notification to Molina Healthcare of California (MHC) network providers with educational outreach from the Department of Health Care Services (DHCS) for Phase III, Lift 4 of the Medi-Cal Rx reinstatement plan.

What you need to know:

The DHCS is in the process of transitioning all Medi-Cal pharmacy services from Managed Care (MC) to fee-for-service. The Medi-Cal pharmacy benefits and services administered by DHCS in the fee-for-service delivery system is identified as "Medi-Cal Rx." Medi-Cal Rx includes all pharmacy services billed as a pharmacy claim, such as:

- Outpatient drugs (prescription and over-the-counter), including Physician-Administered Drugs (PADs)
- Enteral nutrition products
- Medical supplies

Medi-Cal Rx did not change:

- The scope of the existing Medi-Cal pharmacy benefit
- Providing pharmacy services as part of a bundled/all-inclusive billing structure in an inpatient or long-term care setting
- Existing Medi-Cal managed care pharmacy carve-outs (e.g., blood factor, HIV/AIDS drugs, antipsychotics, or drugs used to treat substance use disorder)
- The State Fair Hearing process

When this is happening:

On **June 23, 2023**, Phase III, Lift 4 (P3/L4) will be implemented, lifting the Transition Policy for 46 Standard Therapeutic Classes (STCs). This is the fourth in a series of lifts to retire the Transition Policy by lifting the override of NCPDP Reject Code 75 – Prior Authorization Required.

To learn which STCs will be impacted by the implementation, please refer to the DHCS 30-Day Countdown – Phase III, Lift 4 Bulletin: https://medi-calrx.dhcs.ca.gov/cms/medicalrx/static-assets/documents/provider/bulletins/2023.05_A_30-Day_Countdown_Phase_III_Lift_4.pdf.

What you need to do:

For the latest information about reinstatement plans for Phases II, III, and IV please visit the Medi-Cal Rx Education & Outreach page and select the "Reinstatement" tab: <https://medi-calrx.dhcs.ca.gov/home/education/>.

The website links below are additional resources to support Providers through this transition.
