E-List Layout Changes

This is an advisory notification to Molina Healthcare of California (MHC) network IPAs, Medical Groups, Management Service Organizations, and delegated vendors who receive the E-List.

WHAT YOU NEED TO DO:

As noted in Just the Fax Assembly Bill 1184 Medical Information – Confidentiality, your organization will need to ingest the following *additional one (1)* element on the E-List to ensure compliance with regulatory requirements. This is the revised version of the one that was socialized in March 2023.

1	NDD Indicator	NDD Indicator- If there is a privacy alert id ND-GLOBAL, then NDD_Y if not NDD_N
---	---------------	--

WHEN THIS IS HAPPENING:

Please augment your intake to incorporate this revised E-List layout and confirm your ability to intake via email to your MHC Provider Services Representative as soon as possible but no later than 09/29/2023.

Please let us know if you have any questions or concerns.

We look forward to your collaboration and compliance with this urgent effort.

WHAT YOU NEED TO KNOW:

The E-List layout changes are provided on page 2 for your reference.
