### **What you need to know:**

Dear Valued Provider,

We want to take this opportunity to let you know about our 2025 **member rewards** program we are offering your Molina Healthcare of California members.

Members received notification about these programs in February. We hope you use this information when you are reaching out to members to encourage completion of these healthy action screenings.

Please note that not all counties are contracted for all lines of business. Be sure to review the table for the line of business you are contracted with to see the available member rewards.
