Prop 56 Physician Services

This is an advisory notification to Molina Healthcare of California (MHC) network providers applicable to the Medi-Cal lines of business.

What you need to know:

Molina has been paying Prop 56 Physician Services (Prop 56 PS) payments directly to IPAs throughout 2024, allowing IPAs to appropriately pay their downstream providers. Molina will cease these direct standalone payments to IPAs for Prop 56 PS after November 2024. This change is due to the recent Target Rate Increase (TRI) related capitation (CAP) increases reflected in the amendments, which include the value of Prop 56 physician services payments.

Given the concerns expressed about this change, Molina will support IPAs through this transition by providing each IPA with a monthly detailed report on the Prop 56 PS reimbursements to downstream providers. This report will include the rendering provider, service code, and Prop 56 PS amount. The IPA must ensure that the reimbursements to their respective downstream providers for all TRI-eligible codes meet the minimum fee requirement.
