Introduction

Welcome and thank you for choosing Molina Healthcare of Florida as your Health Plan.

Molina Healthcare of Florida has a contract with the Florida Agency for Health Care Administration (Agency) to provide health care services to people with Medicaid. This is called the Statewide Medicaid Managed Care (SMMC) Program. This means that we will offer you Medicaid services.

We know your health is important to you and Molina will do everything we can to help you and your family with your health care needs.

This Provider Directory lists the doctors and providers that are part of the Molina Healthcare Network. It also lists other facilities and centers you can visit.

Our Provider Directory will help you get started in making decisions about your health care. The Provider Directory includes a list of providers in alphabetical order by county, specialty and name. It will also include the following information:

- Office hours including extended hours
 - Addresses
 - Phone numbers
 - Website URLs
 - Languages
 - Age Limits
- If the provider is seeing new patients
- Special certifications the provider may have

Some providers may have been added or removed from our network after this directory was printed. To get the most updated provider listing or if you want to know what hospital your doctor has access to, visit our website at MolinaProviderDirectory.com/FL. No login is required to access the online directory. You can also call Molina Member Services toll-free at (866) 472-4585 or TTY at 711 for help finding a doctor or to ask that a printed or electronic directory be mailed or emailed to you.

Introduction

Choosing Your Doctor

It is important to choose a Primary Care Physician (PCP) from this provider directory. Family members may choose the same doctor or a different doctor based on their needs. A PCP will help you with the following:

- Check-ups
- Shots
- Finding the right specialist, if needed
- Going to a hospital, if needed
- Prescriptions

If you do not choose a PCP, Molina will choose a doctor for you. Molina will always select a doctor that is closest to where you live.

Thank you for joining the Molina Healthcare family!

Some providers may not offer some services because of religious or moral beliefs. If this happens, Molina will let you know within 90 days.

Introducción

Cómo elegir a su doctor

Es importante elegir un proveedor de cuidados primarios (PCP) de este directorio de proveedores. Sus familiares pueden elegir el mismo doctor u otro distinto de acuerdo con sus necesidades. El PCP le ayudará con lo siguiente:

- Chequeos
