

EO Medicare Provider Manual Update – December 2021

Executive Order 14042 Update

Molina Healthcare updated the Medicare/MMP Provider Manual in 2021 to require compliance with Executive Order (EO) 14042. Since the update was issued, a legal challenge has put that order on hold. As a result, the requirements in EO 14042 are on hold. Please be aware that this requirement could be reinstated on short notice based on further court decisions and we will communicate with you if that occurs.

Should you have questions or concerns, please contact our Provider Services team at MHIDProviderSvcReq@MolinaHealthcare.com.
