

## Idaho Health Plan Expansion

Attention Providers:

We care about supporting you and our members and want to share that, starting January 1, 2025, we will provide Molina Healthcare member services in 13 new counties in Idaho.

If you provide services in any of these new counties, you're now able to support members in the new counties. These new counties include: Adams, Benewah, Blaine, Clark, Clearwater, Gooding, Idaho, Jerome, Latah, Lincoln, Shoshone, Valley and Washington Counties.

We are here to help!
