Re: Notification of New Essential Plan Program Product – Essential Plan 200 – 250

Dear Provider,

We are excited to announce that based on the approval the State of New York Department of Health (“DOH”) received from CMS in connection with its Section 1332 Basic Health Plan wavier, Molina Healthcare of New York will be introducing a new Essential Program which is also known as Essential Plan 200-250. The effective date for member enrollment is April 1,2024.

Based on the terms of our current contract, you are automatically enrolled as a participating provider so there is no further action needed. Compensation will be equivalent to your current rate for Essential Plan 1-2.

We will be communicating more about this new Essential Plan product in the coming weeks and months.

Thank you for your continued partnership in this vital health care program for Molina’s Essential Plan enrollees.

Please contact our Provider Services department if you have any questions at:
