

FEBRUARY 2024

# February 2023 Quality Commercial

- 1 eMeasures
- 2 National Children's Dental Health Month
- 3 Teen Mental Health NYC
- 4 National Cancer Prevention Month
- 5 2024-2025 Medicaid PIP
- 6 2024-2025 HARP PIP

## eMeasures – Electronic Measures

- The following measures are changing to electronic data capture
  - ADD
  - APM
  - BCS
  - COL
- NYS & HEDIS/NCQA are moving to electronic data capture
  - We can no longer intake Supplemental Data Sources charts for eMeasures
  - Supplemental Data Sources flat file data exchanges are accepted for all measures

## National Children's Dental Health Month

Encourage members to use their DentaQuest Dental Benefits.

Discuss scheduling and completing their annual dental cleaning.

## Teen Mental Health

**NYC Mayor Eric Adams is investing in mental health support for NYS teens by partnering with Talkspace.**

- TeenSpace, the city's new virtual mental health platform for teenagers.
- The online therapy provider said between 400,000 and 500,000 city residents ages 13-17 will have access to free, evidence-based mental health services through the platform.
- Teenagers can choose between messaging only or a combination of messaging and video visits.

## NATIONAL CANCER PREVENTION MONTH

- More than 40 percent of Cancer cases and nearly half of the deaths can be attributed to **preventable causes**.
- Encourage patients to reduce their risk of Cancer:
  - quit smoking (or never starting in the first place)
  - maintain a healthy weight
  - exercise regularly
  - protect your skin from the sun
  - get vaccinated against the pathogens that cause certain cancers
