

Submit and track your appeals on Availity Essentials

Improve your appeals workflow on Availity Essentials

Providers in your region will have access to a new streamlined multi-payer process for submitting appeals to Molina Healthcare on Availity Essentials beginning November 16.

You can look forward to the following functionality:

- Submit your appeal and dispute requests online for Molina's finalized claims
- Check the status of your requests submitted on Availity Essentials
- View and import requests initiated through outside channels (mail, fax, etc.) and complete them as part of your Availity Essentials workflow
- Upload supporting documentation for online requests
- Receive a notification when requests have been finalized and processed by Molina

Will you need access to appeals on Availity Essentials? To use appeals on Availity Essentials, your organization's administrator must assign the claim status role to each user who requires access.
