MCG 28th Edition Scheduled to Go Live April 15, 2024

Effective April 15, 2024, Molina Healthcare of Texas (Molina) will begin utilizing the 28th Edition of MCG's Guidelines. MCG has issued a Summary of Changes for the 28th Edition Guidelines that highlights several changes that may be of interest. You can find information on how to access the MCG Summary of Changes below.

Note: The Summary of Changes is **not** meant to be a comprehensive list; providers have access to the MCG 28th Edition via the [Availity Essentials Portal](#) through MCG Transparency. In addition, some instances exist when applicable Molina Clinical Policy (if available) will supersede MCG.

Summary of Changes

MCG Summary of Changes outlines notable changes for many guidelines. Within the MCG 28th Edition itself, the table of contents outlines changes for each guideline. Providers can also access a detailed list of changes, which will show all of the changes in each guideline and criteria point compared to the 27th edition. This includes information that was added or removed.

You can access the MCG 28th Edition Summary of Changes at www.MolinaHealthcare.com on the Provider Frequently Used Forms Page.
