Molina Healthcare of Washington, Inc.

March 12, 2025

Save the Date: Centers of Excellence Offers a One Day Training for providers interested in becoming an ABA COE

Molina of Washington, Inc. would like to share with you this exclusive one-day training event. University of Washington experts provide the Autism Center of Excellence (COE) trainings through a contract with the Health Care Authority (HCA) and will be providing a training for healthcare professionals eager to make a difference in autism care. Mark your calendars for **Friday, May 16, 2025**, from **8:30am to 4:30pm!**

This dynamic training is designed for both diagnosing and non-diagnosing professionals, including registered nurses, care coordinators, case managers, claims staff, and more. Whether you are pursuing diagnosis certification or looking to deepen your understanding of autism care, this training is for you!

Why Attend?

- **Empower Your Practice:** Gain support from your administration and enhance your skills in screening, evaluation, and diagnosis.
- **Expand Your Knowledge:** Learn about differential diagnosis, co-occurring diagnoses, and diagnostic evaluation models.
- **Explore Treatment Options:** Discover the latest in Applied Behavior Analysis (ABA) and how to access community and state resources.
- **Get Practical Insights:** Understand documentation, billing codes, and orders.
- **Hear Real Stories:** Listen to lived experiences from autistic individuals and family advocates.
- **Connect with Experts and Build your Network:** Receive advice from current COE clinicians and engage in Q&A sessions. Connect with regional partners and join the ECHO Autism Washington support network.

Who is Eligible? Eligible ABA COE providers by credentials include Developmental pediatricians, Neurologists, Pediatric neurologists, Pediatric psychiatrists, Psychiatrists, and Psychologists.

Non-diagnosing individuals can simply register online and attend without the need to complete the AAP online learning modules beforehand.

Ready to join us? Visit the COE event page for more information and to register. Please follow the link provided for more information including registration and COE contacts for questions:
