Well-child visits by age	Date
1st week after they are born (3-5 days old)	1 month old
2 months old	2 months old
4 months old	4 months old
6 months old	6 months old
9 months old	9 months old
12 months old	12 months old
15 months old	15 months old
18 months old	18 months old
2 years	2 years
(24 months old)	(24 months old)
2 1/2 years	(30 months old)

Use this card to keep track of upcoming well-child visits and immunizations.

Your baby needs 11 well-child visits by the time they turn three years old. During these visits, the doctor will:

- Do a physical exam
- Track your child's growth and development
- Give any needed immunizations

Well-child visits are **free** with Medicaid, CHIP and most insurance plans.

Child's name: _____

Date of birth: _____

Doctor's name: _____
