SECTION 1 Changes to Benefits & Costs for Next Year

Section 1.1 Changes to the Monthly Plan Premium

	2025 (this year)	2026 (next year)
Monthly plan premium (You must also continue to pay your Medicare Part B premium.)	\$13.40	\$0

Factors that could change your Part D Premium Amount

- Late Enrollment Penalty - Your monthly plan premium will be *more* if you're required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that's at least as good as Medicare drug coverage (also referred to as creditable coverage) for 63 days or more.
- Higher Income Surcharge - If you have a higher income, you may have to pay an additional amount each month directly to the government for Medicare drug coverage.

Section 1.2 Changes to Your Maximum Out-of-Pocket Amount

Medicare requires all health plans to limit how much you pay out of pocket for the year. This limit is called the maximum out-of-pocket amount. Once you've paid this amount, you generally pay nothing for covered Part A and Part B services for the rest of the calendar year.

	2025 (this year)	2026 (next year)
Maximum out-of-pocket amount Your costs for covered medical services (such as copayments) count toward your maximum out-of-pocket amount. Our costs for prescription drugs don't count toward your maximum out-of-pocket amount.	\$7,900	\$7,900 Once you've paid \$7,900 out of pocket for covered Part A and Part B services, you'll pay nothing for your covered Part A and Part B services for the rest of the calendar year.

	2025 (this year)	2026 (next year)
		There is no change for the upcoming benefit year.

Section 1.3 Changes to the Provider Network

Our network of providers has changed for next year. Review the 2026 *Provider Directory* www.centralhealthplan.com to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network. Here’s how to get an updated *Provider Directory*:

- Visit our website at www.centralhealthplan.com.
- Call Member Services at (866) 314-2427 (TTY users call 711) to get current provider information or to ask us to mail you a *Provider Directory*.

We can make changes to the hospitals, doctors, and specialists (providers) that are part of our plan during the year. If a mid-year change in our providers affects you, call Member Services at (866) 314-2427 (TTY users call 711) for help. For more information on your rights when a network provider leaves our plan, go to Chapter 3, Section 2.3 of your *Evidence of Coverage*.

Section 1.4 Changes to the Pharmacy Network

Amounts you pay for your prescription drugs can depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

Our network of pharmacies has changed for next year. Review the 2026 *Pharmacy Directory* www.centralhealthplan.com to see pharmacies are in our network. Here's how to get an updated *Pharmacy Directory*:

- Visit our website at www.centralhealthplan.com.
- Call Member Services at (866) 314-2427 (TTY users call 711) to get current provider information or to ask us to mail you a *Pharmacy Directory*.

We can make changes to the pharmacies that are part of our plan during the year. If a mid-year change in our pharmacies affects you, call Member Services at (866) 314-2427 (TTY users call 711) for help.

Section 1.6 Changes to Part D Drug Coverage

Changes to Our Drug List

Our list of covered drugs is called a formulary or Drug List. A copy of our Drug List is provided electronically.

We made changes to our Drug List, which could include removing or adding drugs, changing to the restrictions that apply to our coverage for certain drugs, or moving them to a different cost-sharing tier. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions, or if your drug has been moved to a different cost-sharing tier.**

Most of the changes in the Drug List are new for the beginning of each year. However, we might make other changes that are allowed by Medicare rules that will affect you during the calendar year. We update our online Drug List at least monthly to provide the most up-to-date list of drugs. If we make a change that will affect your access to a drug you're taking, we'll send you a notice about the change.

If you're affected by a change in drug coverage at the beginning of the year or during the year, review Chapter 9 of your *Evidence of Coverage* and talk to your prescriber to find out your options, such as asking for a temporary supply, applying for an exception, and/or working to find a new drug. Call Member Services at (866) 314-2427 (TTY users call 711) for more information.

Section 1.7 Changes to Prescription Drug Benefits & Costs

Do you get Extra Help to pay for your drug coverage costs?

If you're in a program that helps pay for your drugs (Extra Help), **the information about costs for Part D drugs may not apply to you.** We have included a separate material, called the *Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs*, which tells you about your drug costs. If you get Extra Help and didn't get this material with this packet, call Member Services at (866) 314-2427 (TTY users call 711) for more information and ask for the *LIS Rider*.

Drug Payment Stages

There are **3 drug payment stages**: the Yearly Deductible Stage, the Initial Coverage Stage, and the Catastrophic Coverage Stage. The Coverage Gap Stage and the Coverage Gap Discount Program no longer exist in the Part D benefit.

- ***Stage 1: Yearly Deductible***

You start in this payment stage each calendar year. During this stage, you pay the full cost of your Tier 2, Tier 3, Tier 4 and Tier 5 drugs until you've reached the yearly deductible.

- ***Stage 2: Initial Coverage***

Once you pay the yearly deductible, you move to the Initial Coverage Stage. In this stage, our plan pays its share of the cost of your drugs, and you pay your share of the cost. You generally stay in this stage until your year-to-date total drug costs reach \$2,100.

- ***Stage 3: Catastrophic Coverage***

This is the third and final drug payment stage. In this stage, you pay nothing for your covered Part D drugs. You generally stay in this stage for the rest of the calendar year.

The Coverage Gap Discount Program has been replaced by the Manufacturer Discount Program. Under the Manufacturer Discount Program, drug manufacturers pay a portion of our

plan’s full cost for covered Part D brand name drugs and biologics during the Initial Coverage Stage and the Catastrophic Coverage Stage. Discounts paid by manufacturers under the Manufacturer Discount Program don't count toward out-of-pocket costs.

Drug Costs in Stage 2: Initial Coverage

We changed the tier for some of the drugs on our Drug List. To see if your drugs will be in a different tier, look them up on the Drug List. Most adult Part D vaccines are covered at no cost to you. For more information about the costs of vaccines, or information about the costs for a long-term supply or for mail-order prescriptions, go to Chapter 6 of your *Evidence of Coverage*. Once you’ve paid \$2,100 out of pocket for covered Part D drugs, you’ll move to the next stage (the Catastrophic Coverage Stage).

Changes to your VBID Part D Benefit

This year (2025) our plan further reduces the cost share for covered drugs for members who receive a certain level of "Extra Help" through the Value-Based Insurance Design (VBID) Program.

Next year (2026) the VBID Program will be discontinued. This means that your cost shares for covered drugs will be based only on the level of "Extra Help" that you receive. Please see Section 4 regarding “Extra Help” from Medicare.

The table below shows the change in cost-sharing through the VBID Part D Benefit.

SECTION 3 How to Change Plans

To stay in Central Health Embrace Choice Plan, you don't need to do anything. Unless you sign up for a different plan or change to Original Medicare by December 7, you'll automatically be enrolled in our Central Health Embrace Choice Plan (HMO C-SNP).

If you want to change plans for 2026 follow these steps:

- **To change to a different Medicare health plan,** enroll in the new plan. You'll be automatically disenrolled from Central Health Embrace Choice Plan (HMO C-SNP).
- **To change to Original Medicare with Medicare drug coverage,** enroll in the new Medicare drug plan. You'll be automatically disenrolled from Central Health Embrace Choice Plan (HMO C-SNP).
- **To change to Original Medicare without a drug plan,** you can send us a written request to disenroll. Call Member Services at (866) 314-2427 (TTY users call 711) for more information on how to do this. Or call **Medicare** at 1-800-MEDICARE (1-800-633-4227) and ask to be disenrolled. TTY users can call 1-877-486-2048. If you don't enroll in a Medicare drug plan, you may pay a Part D late enrollment penalty (go to Section 1.1).

- **To learn more about Original Medicare and the different types of Medicare plans**, visit www.Medicare.gov, check the *Medicare & You 2026* handbook, call your State Health Insurance Assistance Program (go to Section 5), or call 1-800-MEDICARE (1-800-633-4227).

Section 3.1 Deadlines for Changing Plans

People with Medicare can make changes to their coverage from **October 15 - December 7** each year.

If you enrolled in a Medicare Advantage plan for January 1, 2026, and don't like your plan choice, you can switch to another Medicare health plan (with or without Medicare drug coverage) or switch to Original Medicare (with or without Medicare drug coverage) between January 1 – March 31, 2026.

Section 3.2 Are there other times of the year to make a change?

In certain situations, people may have other chances to change their coverage during the year. Examples include people who:

- Have Medicaid
- Get Extra Help paying for their drugs
- Have or are leaving employer coverage
- Move out of our plan's service area

If you recently moved into, or currently live in, an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (with or without Medicare drug coverage) or switch to Original Medicare (with or without Medicare drug coverage) at any time. If you recently moved out of an institution, you have an opportunity to switch plans or switch to Original Medicare for 2 full months after the month you move out.

SECTION 4 Get Help Paying for Prescription Drugs

You may qualify for help paying for prescription drugs. Different kinds of help are available:

- **Extra Help from Medicare.** People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly drug plan premiums, yearly deductibles, and coinsurance. Also, people who qualify won't have a coverage gap or late enrollment penalty. To see if you qualify, call:
 - 1-800-MEDICARE (1-800-633-4227). TTY users can call 1-877-486-2048, 24 hours a day, 7 days a week.

- Social Security at 1-800-772-1213 between 8 a.m. and 7 p.m., Monday - Friday for a representative. Automated messages are available 24 hours a day. TTY users can call 1-800-325-0778.
- Your State Medicaid Office.
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible people living with HIV/AIDS have access to life-saving HIV medications. To be eligible for the ADAP operating in your State, you must meet certain criteria, including proof of state residence and HIV status, low income as defined by the state, and uninsured/under-insured status. Medicare Part D drugs that are also covered by ADAP qualify for prescription cost-sharing help through the Office of AIDS. For information on eligibility criteria, covered drugs, how to enroll in the program, or, if you are currently enrolled how to continue getting help, call (916) 449-5900. Be sure, when calling, to inform them of your Medicare Part D plan name or policy number.
- **The Medicare Prescription Payment Plan.** The Medicare Prescription Payment Plan is a payment option that works with your current drug coverage to help you manage your out-of-pocket costs for drugs covered by our plan by spreading them across the **calendar year** (January – December). Anyone with a Medicare drug plan or Medicare health plan with drug coverage (like a Medicare

Advantage plan with drug coverage) can use this payment option. **This payment option might help you manage your expenses, but it doesn't save you money or lower your drug costs.**

Extra Help from Medicare and help from your SPAP and ADAP, for those who qualify, is more advantageous than participation in the Medicare Prescription Payment Plan. All members are eligible to participate in the Medicare Prescription Payment Plan payment option. To learn more about this payment option, call us at (866) 314-2427 (TTY users call 711) or visit www.Medicare.gov.

NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

This Notice describes the privacy practices of Molina Healthcare's affiliated health plans (referred to herein as "**Molina**", "**we**" or "**our**"). We use and share protected health information ("**PHI**") about you to provide your health benefits as a Molina member. We use and share your PHI to carry out treatment, payment and health care operations. We also use and share your PHI for other reasons as allowed and required by law. We have the duty to keep your health information private and to follow the terms of this Notice. The effective date of this Notice is January 1, 2026.

PHI is health information that includes your name, member number or other identifiers, and is used or shared by us. PHI includes health information about substance use disorders and biometric information (like a voiceprint).

Why do we use or share your PHI?

We use or share your PHI to provide you with health care benefits. Your PHI is also used or shared for treatment, payment, and health care operations.

For Treatment

We may use or share your PHI to give you, or arrange for, your medical care. This treatment also includes referrals between your doctors or other health care providers. For example, we may share information about your health condition with a specialist. This helps the specialist talk about your treatment with your doctor.

For Payment

We may use or share PHI to make decisions on payment. This may include claims, approvals for treatment, and decisions about medical need. Your name, your condition, your treatment, and supplies given may be written on the bill. For example, we may let a doctor know that you have our benefits. We would also tell the doctor the amount of the bill that we would pay.

For Health Care Operations

We may use or share PHI about you to run our health plan(s). For example, we may use information from your claim to let you know about a health program that could help you. We may also use or share your PHI to solve your concerns. Your PHI may also be used to see that claims are paid right.

Health care operations involve many daily business needs. It includes but is not limited to, the following:

- Improving quality;
- Actions in health programs to help members with certain conditions (such as asthma);
- Conducting or arranging for medical review;
- Legal services, including fraud and abuse detection and prosecution programs;
- Actions to help us obey laws;
- Addressing member needs, including solving complaints and grievances.

We will share your PHI with other companies (“**business associates**”) that perform different kinds of activities for our health plan(s). We may also use your PHI to give you reminders about your appointments. We may use your PHI to give you information about other treatment(s), or other health-related benefits and services.

When can we use or share your PHI without getting written authorization (approval) from you?

In addition to treatment, payment and health care operations, the law allows or requires Molina to use and share your PHI for several other purposes including the following:

Required by law

We will use or share information about you as required by law. We will share your PHI when required by the Secretary of the Department of Health and Human Services (HHS). This may be for a court case, other legal review, or when required for law enforcement purposes.

Public Health

Your PHI may be used or shared for public health activities. This may include helping public health agencies to prevent or control disease.

Health Care Oversight

Your PHI may be used or shared with government agencies. They may need your PHI for audits.

Research

Your PHI may be used or shared for research in certain cases, such as when approved by a privacy or institutional review board.

Legal or Administrative Proceedings

Your PHI may be used or shared for legal proceedings, such as in response to a court order.

Law Enforcement

Your PHI may be used or shared with police for law enforcement purposes, such as to help find a suspect, witness or missing person.

Health and Safety

Your PHI may be shared to prevent a serious and imminent threat to the health or safety of a person or the public.

Government Functions

Your PHI may be shared with the government for special functions. An example would be to protect the President.

Victims of Abuse, Neglect or Domestic Violence

Your PHI may be shared with legal authorities if we believe that a person is a victim of abuse or neglect.

Workers' Compensation

Your PHI may be used or shared to obey Workers' Compensation laws.

Other Disclosures

Your PHI may be shared with funeral directors or coroners to help them do their jobs.

Additional Restrictions on Use and Disclosure.

Some federal and state laws may require special privacy protections that restrict the use and disclosure of certain types of health information. Such laws may protect the following types of information: alcohol and substance use disorders, biometric information, child or adult abuse or neglect including sexual assault, communicable diseases, genetic information, HIV/AIDS, mental health, minors' information, prescriptions, reproductive health, and sexually transmitted diseases. We will follow the more stringent law, where it applies to us.

Substance Use Disorder (SUD) Information. Although we are not a substance use disorder treatment program under federal law (a "SUD Program"), we may receive information from a SUD Program about you. We may not disclose SUD information for use in a civil, criminal, administrative, or legislative proceeding against you unless we have

(i) your written consent, or (ii) a court order accompanied by a subpoena or other legal requirement compelling disclosure issued after we and you were given notice and an opportunity to be heard.

When do we need your written authorization (approval) to use or share your PHI?

We need your written approval to use or share your PHI for a purpose other than those listed in this Notice. We need your authorization before we disclose your PHI for the following: (1) most uses and disclosures of psychotherapy notes; (2) uses and disclosures for marketing purposes; and (3) uses and disclosures that involve the sale of PHI. You may cancel a written approval that you have given us. Your cancellation will not apply to actions already taken by us because of the approval you already gave to us.

What are your health information rights?

You have the right to:

- **Request Restrictions on PHI Uses or Disclosures (Sharing of Your PHI)**

You may ask us not to share your PHI to carry out treatment, payment or health care operations. You may also ask us not to share your PHI with family, friends or other persons you name who are involved in your health care. However, we are not required to agree to your request. You will need to make your request in writing. You may use our form to make your request.

- **Request Confidential Communications of PHI**

You may ask Molina to give you your PHI in a certain way or at a certain place to help keep your PHI private. We will follow reasonable requests, if you tell us how sharing all or a part of that PHI could put your life at risk. You will need to make your request in writing. You may use our form to make your request.
