Now, what's next?

Once you're all set up in the member portal, you can more easily make the most of your transportation benefit! Within the member portal, you can:

Book - Book one-way and round-trip rides for rides that are two (or more) days away

Manage - View and manage your upcoming rides

Cancel - When plans change, you can cancel upcoming individual rides and retain your ride eligibility for a future ride

Sign up for your member portal today at (855) 932-5416

If you're a NEMT provider looking to optimize and grow your business, SafeRide's Network team is here to help. SafeRide continues to expand our vast transportation needs with Medicaid and Medicare Advantage health plans across the country, and we'd love to partner with you.

Frequently Asked Questions about the Member Portal

What are the benefits of using the member portal instead of calling in to schedule my ride?

You're in control of every step of your journey with the member portal. Whether you remember you need to book a ride while our call center is closed or you prefer to not speak on the phone, the member portal is here to help and at your convenience.

Do I need to download an app on my phone/tablet to register/access the member portal?

No, the member portal is web-based and made to user-friendly on all types of device so no download is necessary on your device.

Can I book same day rides through the member portal?

No, the member portal is set up with a minimum number of lead days (typically 2 days) in advance for which you can book a ride.

Do rides booked through the member portal qualify toward my total ride benefit count?

Yes, rides booked through the portal count like any other scheduled ride. The portal will perform an eligibility check during the booking process and if a member exceeds their ride benefit, an error message will appear and prevent the ride from being booked. If you receive an error message like this, reach out to SafeRide directly as well as your health plan for more information.
