Re: Annual Model of Care Training Requirement 2025

Dear Providers,

Molina Healthcare of Nevada is required to provide annual training regarding our Model of Care program for Medicare Special Needs Plan (SNP) enrollees.

The Model of Care is the foundation for Molina's care management policy, procedures, and operational systems for our SNP population.

To ensure that Molina remains compliant with Centers for Medicare and Medicaid (CMS) regulatory requirements for Model of Care training, receipt of a completed Attestation Form is due to Molina no later than **December 31, 2025**.

Molina requires all practitioners with your group/practice to complete the training and the attestation.

Here's what practitioners need to do:

1. Take the Model of Care Training

The written training materials on the Molina Healthcare Model of Care can be found on the Molina website at: <https://www.molinahealthcare.com/providers/common/medicare/medicare>.

2. Complete and sign the Model of Care Training Attestation form.

Note: If the group has elected to provide a group training, one Attestation form signed by an individual with the authority to sign on behalf of the group/clinic may be submitted with an attendance roster indicating which providers completed the training.

A copy of the Model of Care Training Attestation form is available via a link at the end of the Model of Care Training Deck or on the [MolinaHealthcare.com/NV](https://www.molinahealthcare.com/NV) Medicare provider webpage.

3. Return the Attestation Form to Molina Healthcare using the automated submit button on the form or by emailing NVProviderRelations@MolinaHealthcare.com.
